Our Monthly Newsletter

As the year draws closer to its end, November brings with it reflections, gratitudes, and growth. The last few weeks has been filled with learning experiences, partaking in activities and celebrating the festivities. In this edition, we're excited to share about the people that makes ELC Malaysia truly a community, and updates on our students activities.

Let's dive in!

A chat with Ms Janice Lau

Get to know the people who make our school thrive. This month, we spoke with Ms. Janice Lau, General Manager of ELC Malaysia who has been with us since its very beginning in Malaysia.

For over 12 years, Ms. Lau has been a pillar of strength for the school, guiding it through challenges and contributing to its growth. Interestingly, her career began not in education but in banking. Her transition from the finance industry to leading a multicultural school has brought a wealth of unique perspectives, making her leadership both dynamic and invaluable.

What our students say about us

Dinh Thi Thu Huyen, Vietnam

"What I love most about Malaysia is its incredible cultural diversity, expressed through its food, festivals, people and daily life. The country's natural beauty, with its beaches, rainforests and vibrant cities, also makes it a great place to live and explore."

Nasreen Ahmadthirakul, Thailand

"I used to doubt myself when I spoke English but this school made me feel comfortable to speak. The school location is also easy to get to because it's located in the central part of the city."

Celebrating the festivities in school

October was packed with fun and creativity! We celebrated the Festival of Lights Deepavali/ Diwali, with students trying out the vibrant kolam painting. Right on its heels came our spook-tacular Halloween Party at the Bukit Bintang school, where everyone brought their A-game at dressing up with stunning costumes and enjoyed a frightfully good time.
