Our Students Activities

Hiking Adventure

Our students enjoyed a day hiking through the lush tropical forest, taking in the beauty of nature while getting a workout along the way. The adventure was made even more exciting as they encountered some playful local residents, monkeys greeting them as they hiked. At the end of the trail, the students were rewarded with a refreshing dip in a clear, cool stream, picturesque cascading waterfall and peaceful surroundings.

A massive thanks to Tourism Selangor for organizing and taking us on this amazing experience.

Fun in School

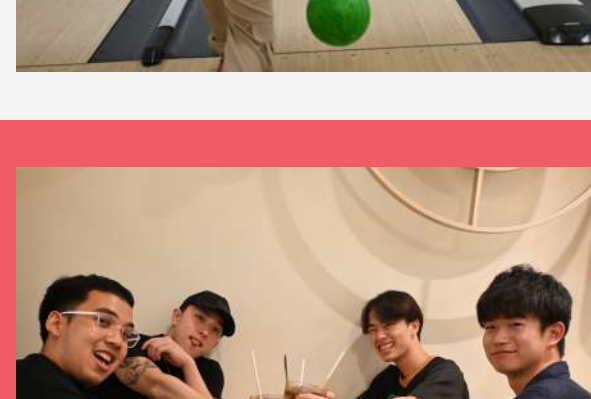

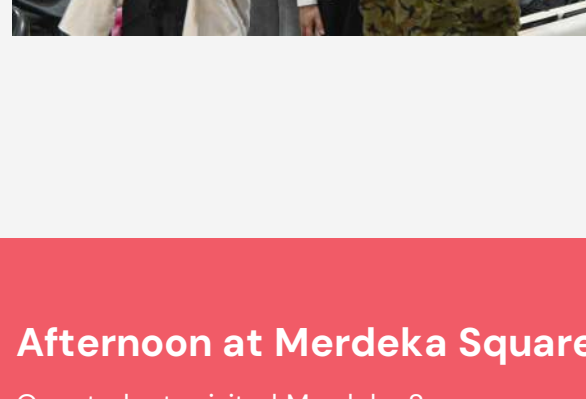

Our students truly know how to find fun wherever they are, even right here on campus. Recently, a spontaneous, make-shift ping pong match brought energy and excitement into the classroom, turning an ordinary moment into a memorable game day.

Not to be outdone, one of our in-school activity sessions saw an incredible turnout for bingo, with laughter echoing all around as everyone joined in the fun. To make things even more exciting, our bingo winners walked away with special prizes, adding to the thrill of the game.

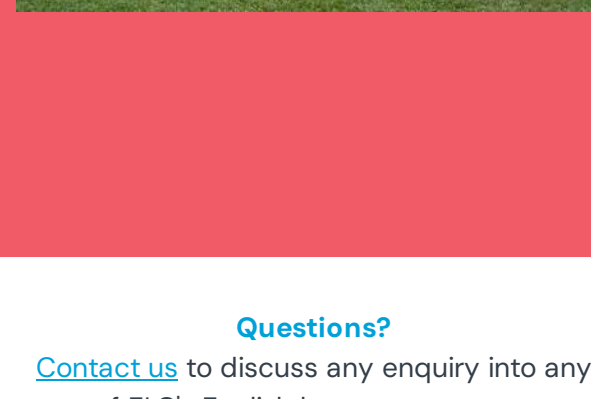

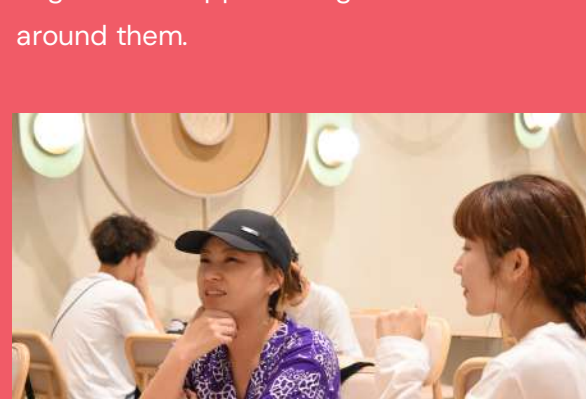

Bowling Champions

Our ELC students had a blast hitting the bowling lanes, enjoying an outing filled with friendly competition and plenty of laughter.

Afternoon at Merdeka Square

Our students visited Merdeka Square one afternoon, where they explored the historical significance of the area while surrounded by its iconic landmarks. Out of the sun, our students continued with a relaxing coffee session at the cafe in the newly renovated Sultan Abdul Samud building. An informal gathering, a perfect opportunity to practice conversational English while appreciating the architecture around them.
