

Summer Starts at ELC

As June unfolds, excitement is building at ELC as we prepare to welcome our Summer Camp students from around the world. Our month is busy organizing engaging English lessons, cultural activities, and memorable excursions to ensure every student enjoys a rewarding and unforgettable experience. From making new friends and improving communication skills to exploring the vibrant city of Kuala Lumpur, Summer Camp at ELC is all about learning, discovery, and adventure.

We look forward to sharing a summer filled with growth, fun, and lasting memories!

Breakfast at our Junior Summer Camp classrooms. Bright, fit and colorful decor to liven up the rooms and mood.

Junior lounge area for breaks and games. A soft rug between classrooms to provide space to rest, make friends and enjoy free time.

A look at our Summer Camp classrooms. Neatly assembled rooms with comfortable and friendly settings for better learning.

Reception Cafe. Fine beverages for students and parents. A corner for student to chat, relax, and parents who are waiting for their children to finish class.

Our camps at a glance

Bring ideas from our past junior camps that captured a balance of creative, interactive classes, games, group activities, and fun projects. And outside the classroom, where students participated in after-school activities and excursions throughout Malaysia.

Our Student's Activities

Sunset at Titirangsa Park

Golden time and great company is what evening is remembered for our ELC students at Lake Titirangsa which is right in the middle of Kuala Lumpur.

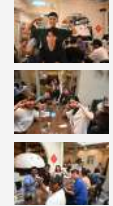

Badminton matches

Books down, rackets up! A fun afternoon of badminton with our ELC students after class.

Chat Chat Cafe

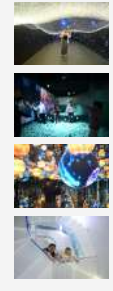

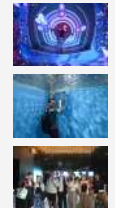

Practicing English one coffee and conversation at a time. Our students taking learning beyond the classroom and into the cafe.

Space and Time Cube

Our students spent an afternoon at the Space & Time Cube, enjoying an interactive, large-scale, time and space experience. Perfect for space-themed power!
